**PLYMOUTH COMMUNITY AMBULANCE ASSOCIATION
FIRST IN THE WORLD TO DEPLOY ZENIX CARDIAC MONITOR & DEFIBRILLATOR
PURCHASES ADVANCED LIFESAVING EQUIPMENT TO IMPROVE PATIENT
OUTCOMES IN MEDICAL EMERGENCIES**

November 14, 2025 – Plymouth Meeting, PA

PLYMOUTH COMMUNITY AMBULANCE ASSOCIATION announced today that it is confirmed to be the first in the world to equip all its Advanced Life Support Ambulances with new, clinically advanced resuscitation equipment from ZOLL®. The new ZOLL Zenix® helps Paramedics and Emergency Medical Technicians improve patient outcomes in medical emergencies such as Sudden Cardiac Arrest (SCA), cardiac and respiratory emergencies or trauma.

“In life-or-death situations where high-quality CPR is critical, ZOLL’s Zenix® monitor/defibrillator provides powerful functionality that is easy to use”, said Thomas Trojansky, Chief of Operations. “This advanced technology empowers our Paramedics and Emergency Medical Technicians to make informed, confident decisions and ensure they are delivering exceptional patient care, every time. With this upgraded technology, we believe we are better equipped to protect the lives of the community’s residents, visitors and workers, whom we are honored to serve. The combination of outstanding and highly trained Paramedics and Emergency Medical Technicians coupled with cutting edge state of the art Zoll Zenix defibrillators and cardiac monitors is one way that Plymouth Community Ambulance Association defines its top-level commitment to the medical needs of the people.”

PLYMOUTH COMMUNITY AMBULANCE ASSOCIATION, a 911 volunteer and career advanced life support ambulance service, was dispatched to over 16,000 requests for medical aid in 2024, serves an area of approximately 74 square miles with a residential population of over 110,000 in 11 different Townships and Boroughs. PCAA has a dedicated staff of volunteer and career Paramedics and Emergency Medical Technicians that take pride in assisting those in need and providing the best medical intervention when called upon.

About ZOLL

ZOLL, an Asahi Kasei company, develops and markets medical devices and software solutions that help advance emergency care and save lives, while increasing clinical and operational efficiencies. With products for defibrillation and cardiac monitoring and CPR feedback, ZOLL provides a comprehensive set of technologies that help EMS professionals improve patient outcomes in critical cardiopulmonary conditions.
